WESTERN
AFRICA

Behold, children are a heritage from the LORD, the fruit of the womb a reward.

Psalm 127:3

What I am looking forward to...

- Looking into the children's eyes.
- Building friendships with the women and youngsters.
- Playing, cuddling and singing with the little ones.
- Partnering with women where we will teach and train others in CPR and First Aid.
- Yet my greatest yearning is to show children the love God gave for them and me. I'm longing for Sierra Leone to know the glory of the KING! I want to give it all I have so that everything I say and do points to Christ. - I may never meet them all,

but I will love those in my path along the way.

- I want my hands and feet to be like those of Jesus serving and going where God the Father lead him.
- I am so excited to meet these people I've heard about for three years!

In Faith I am Going...

"I never want to go to Africa." I once said. God must have chuckled, for in the next year I was on the plane to my first overseas trip in Morocco, Africa.

Three years later the Lord has grown my heart for Africa, to the point of yearning to go. "Lead me and I will go", has been the prayer of my heart.

In the summer of 2011 I was invited to pray about going to Sierra Leone with my dear friend, Erin Pope and her team. Through much prayer I have committed to going in August of 2012. Honestly, this is growing my faith to trust in Jesus like never before!

I was reminded of when Jesus fed the thousands with seven loaves of bread and a few fish. His disciples must have been astounded! And yet later the disciples are found discussing amongst themselves how they forgot to bring any bread with them. "Jesus, aware of this said, O you of little faith, why are you discussing among yourselves the fact that you have no bread? Do you not yet perceive? Do you not remember the five loaves for the five thousand, and how many baskets you gathered? Or the seven loaves for the four thousand, and how many baskets you gathered?..." Matthew 16:7-10.

I saw myself in a similar position as the disciples had. Time after time I have seen our God faithful to provide everything I need. Yet somehow this time I was so quick to worry, causing doubt to enter in. "Lord forgive me. I am choosing

to walk in faith and trusting you to direct my steps." In faith I am going to Sierra Leone!

"Our main objective will be teaching and equipping Sierra Leoneans in CPR, First Aid and healthy living [personal hygiene].

How? The training will be conducted on COTN's ministry site in their clinic, school, security, office, farm and home.

Anything Else? We are looking forward to this opportunity and pray that we make the most of it!

An Exciting Extra!
Dec-Feb of 2011-2012 I led a missions team to the borough of Redbridge, London. During these months we poured ourselves into to the community in various ways such as, prayer walking, hosting a mini discipleship school, speaking in churches, and leading weekly worship services. Well, August 28th I have the opportunity to extend my layover in London to not only reunite with friends but work with 'Woodford Baptist' in their 'Holiday Club' [outreach to youth]!

August 15th - 28th

Please, will you prayerfully consider supporting this trip?
